Dear Sir:

Submitted herewith for filing in connection with the above-referenced patent application is a labeled, computer readable copy of the Sequence Listing included in the application.

The sequence information in paper copy of the Sequence Listing contained on pages 1 to 11 of said Sequence Listing, as required by 37 CFR 1.821(c), and the sequence information in file "00360899.txt" on the 3.5" floppy computer readable form of the Sequence Listing, as required by 37 CFR 1.821(e), are the same as required by 37 CFR 1.821(f).

The sequences found on the identical computer readable form and the paper copy are listed within the specification of this application as filed. Therefore, the submission of these introduces no new matter.

Early favorable consideration of the patent application is respectfully solicited.

Dated: September 26, 2005

Respectfully submitted,

By
